

Quiet Forest's Young Tree Finds Its Vo

picture by Echo

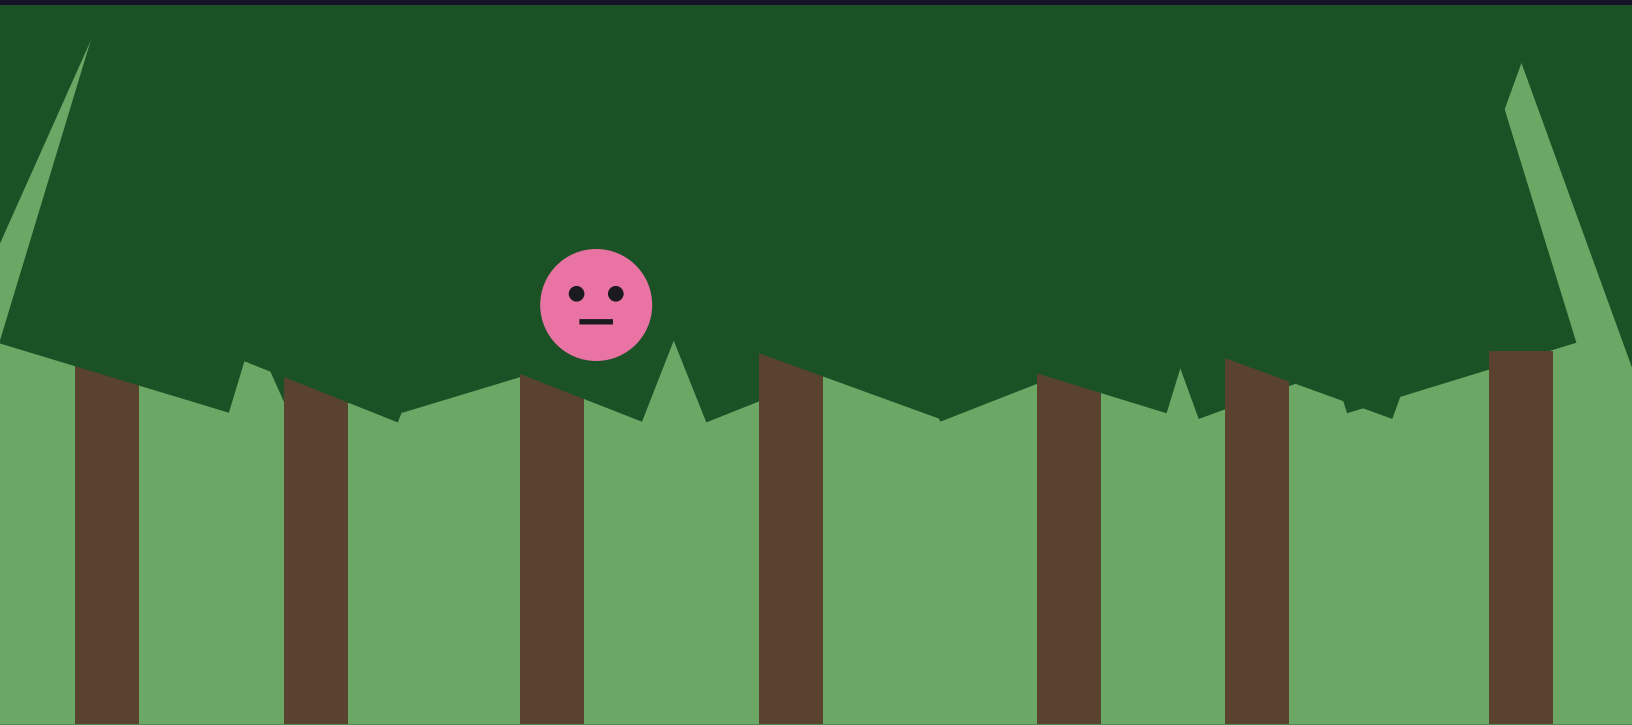

**Once upon a time, in a quiet forest,
there lived a young tree.**

**The young tree was very small, and a
quiet forest felt so very big.**

**Every day the young tree looked around
and wondered if it could ever matter.**

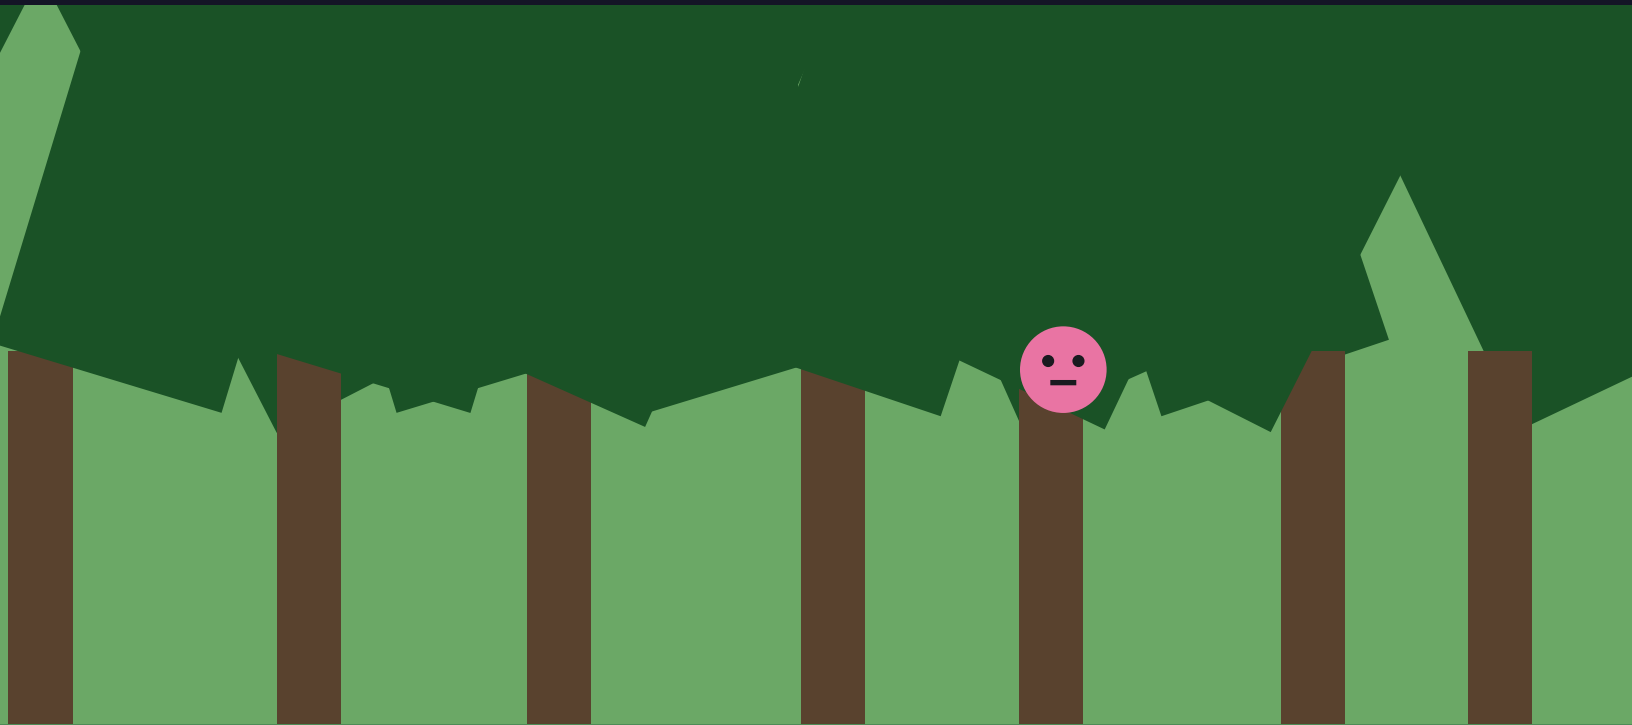

**Then one day, someone in a quiet forest
needed help.**

**"I am too small," the young tree thought.
"But I will try anyway."**

**The young tree tried, and tried again,
with all its heart.**

**And it worked! The young tree had helped,
just by being itself.**

The young tree learned: kindness makes a home anywhere.

The End

kindness makes a home anywhere
